Board Elections:

Time is creeping up fast to the end of the season. With the end of the season comes time for Board elections. The Lehigh Acres Raiders Board is a critical part of the organization. With out them there is no way the league would be able to operate. We are looking for people who are not only wanting to make change, but people who are willing to contribute to the efforts to make the organization the best it can be. The application and description of all the positions can be found at <http://www.lehighraiders.com/board.html>. or the concession stand.
Don't wait, this is your chance to make a change, and make a positive impact of the youth of our community!!
